

Fuji CR Mammography

Fuji Compact Assisted Diagnosis Mammography

Advanced Imaging Capabilities

imagic

Two computer monitors are positioned on a white desk within a blue and white display booth. The monitors show medical images, likely mammograms. The booth has a blue base and a white top section with text and graphics.

Compact Imaging

Compact Imaging

A large, light-colored medical imaging machine, possibly a CT scanner or MRI, is the central focus of a booth. It has a complex, multi-tiered design with various panels and a control interface. The machine is set against a blue backdrop with text.

High-Lumen Imaging

High Medical Imaging

Two light-colored medical imaging machines, possibly CT scanners, are displayed side-by-side in a booth. They have a similar design to the larger machine in the adjacent booth. The booth features a blue and white color scheme with text and graphics.
